A collection of shades for doors and windows

1-800-4199-200 | www.tataprvash.com

iNTRO

Customizing a space is no longer restricted to just selecting the colour of the walls. It has gone beyond. Now, the colours of doors and windows are equally important while designing the interior. The right shade of door or window can complement the décor and enhance the beauty of a space.

Which is why, Tata Pravesh offers a wide range of steel doors and windows in myriad wooden and solid shades for residential and commercial buildings. Tata Pravesh Tints & Tones features a beautiful palette of colourful doors and windows. Just flip the pages and discover the perfect shade that will make a room come alive.

WOODEN SHADES

Sun Teak

B-04-01

Elegant and classy, this shade of brown is the preferred choice for someone who loves everything vintage. Sun Teak is your go-to colour if you want your living space to reflect classic retro charm.

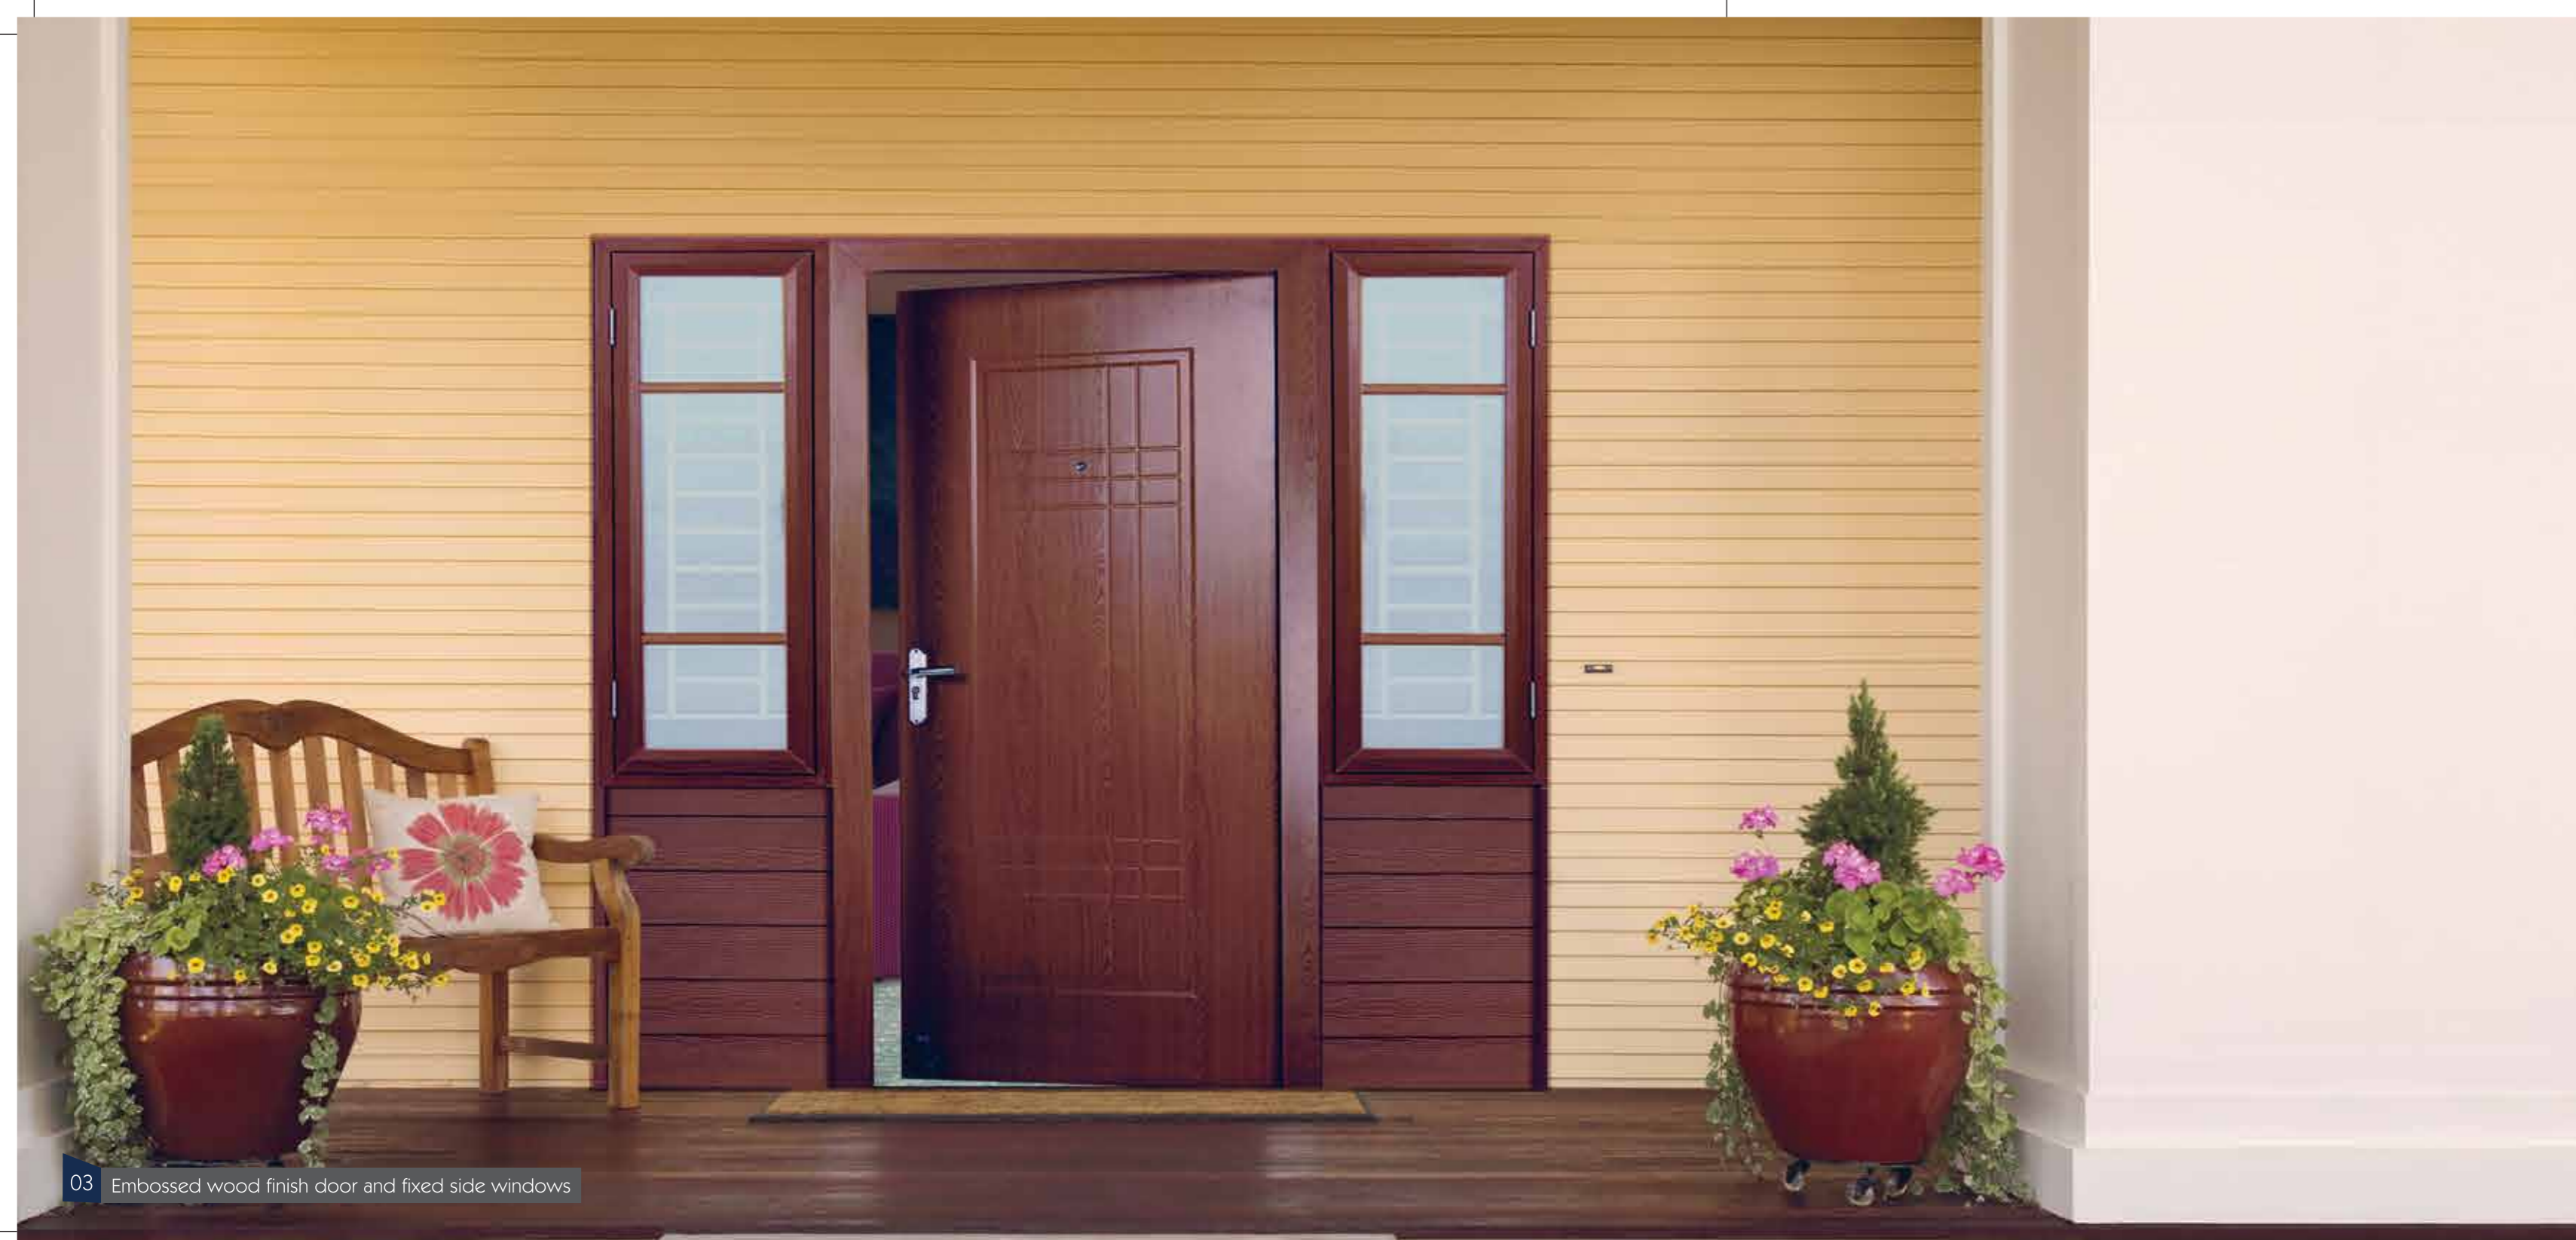

02 Embossed wood finish door with flymesh shutter and swing cum slide window

Lava Teak

B-02-01

If you look at a door in Lava Teak and think of a hot cup of chocolate on a cold night, you won't be wrong. This shade exudes warmth and will immediately give you a sense of comfort. If you are looking for a deep shade of brown to add aesthetics to your home, then Lava Teak is for you.

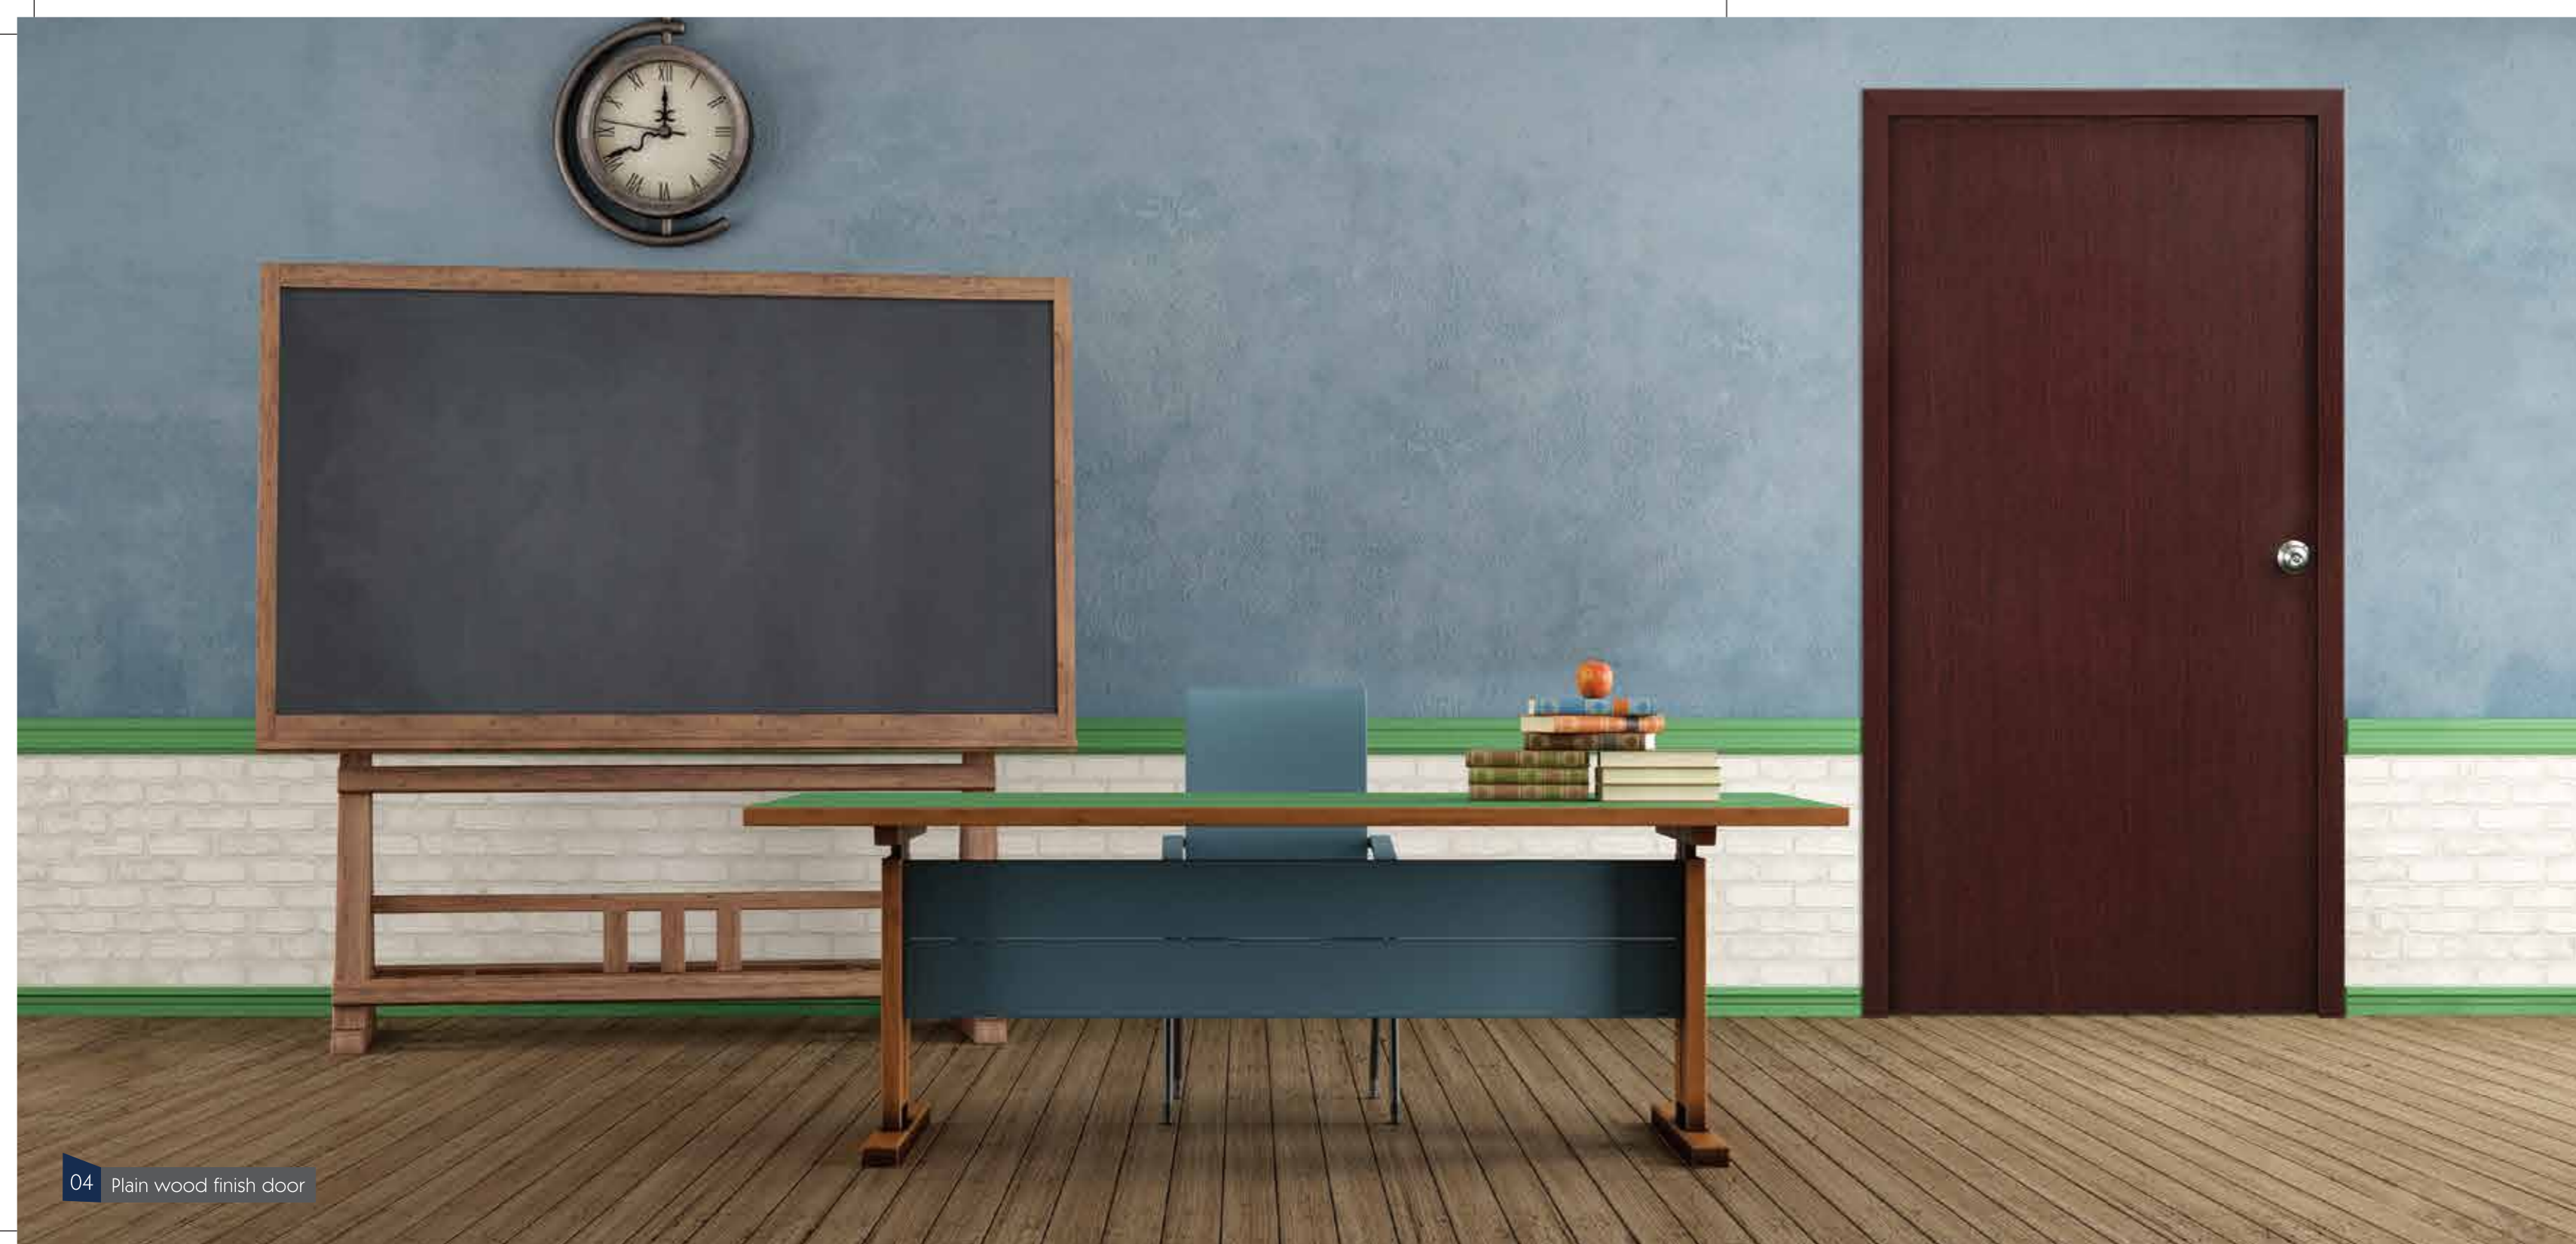

03 Embossed wood finish door and fixed side windows

Nest Mahogany

R-04-01

Make your space look stylish and premium with Nest Mahogany. A delightful mix of brown and red, this shade will add a dash of sophistication to your décor.

Trunk Mahogany

R-02-01

What's special about this shade is its timeless appeal that makes it so extraordinary. Pick this shade when you want a room to look sharp and distinguished.

Fire Red

RAL 3020

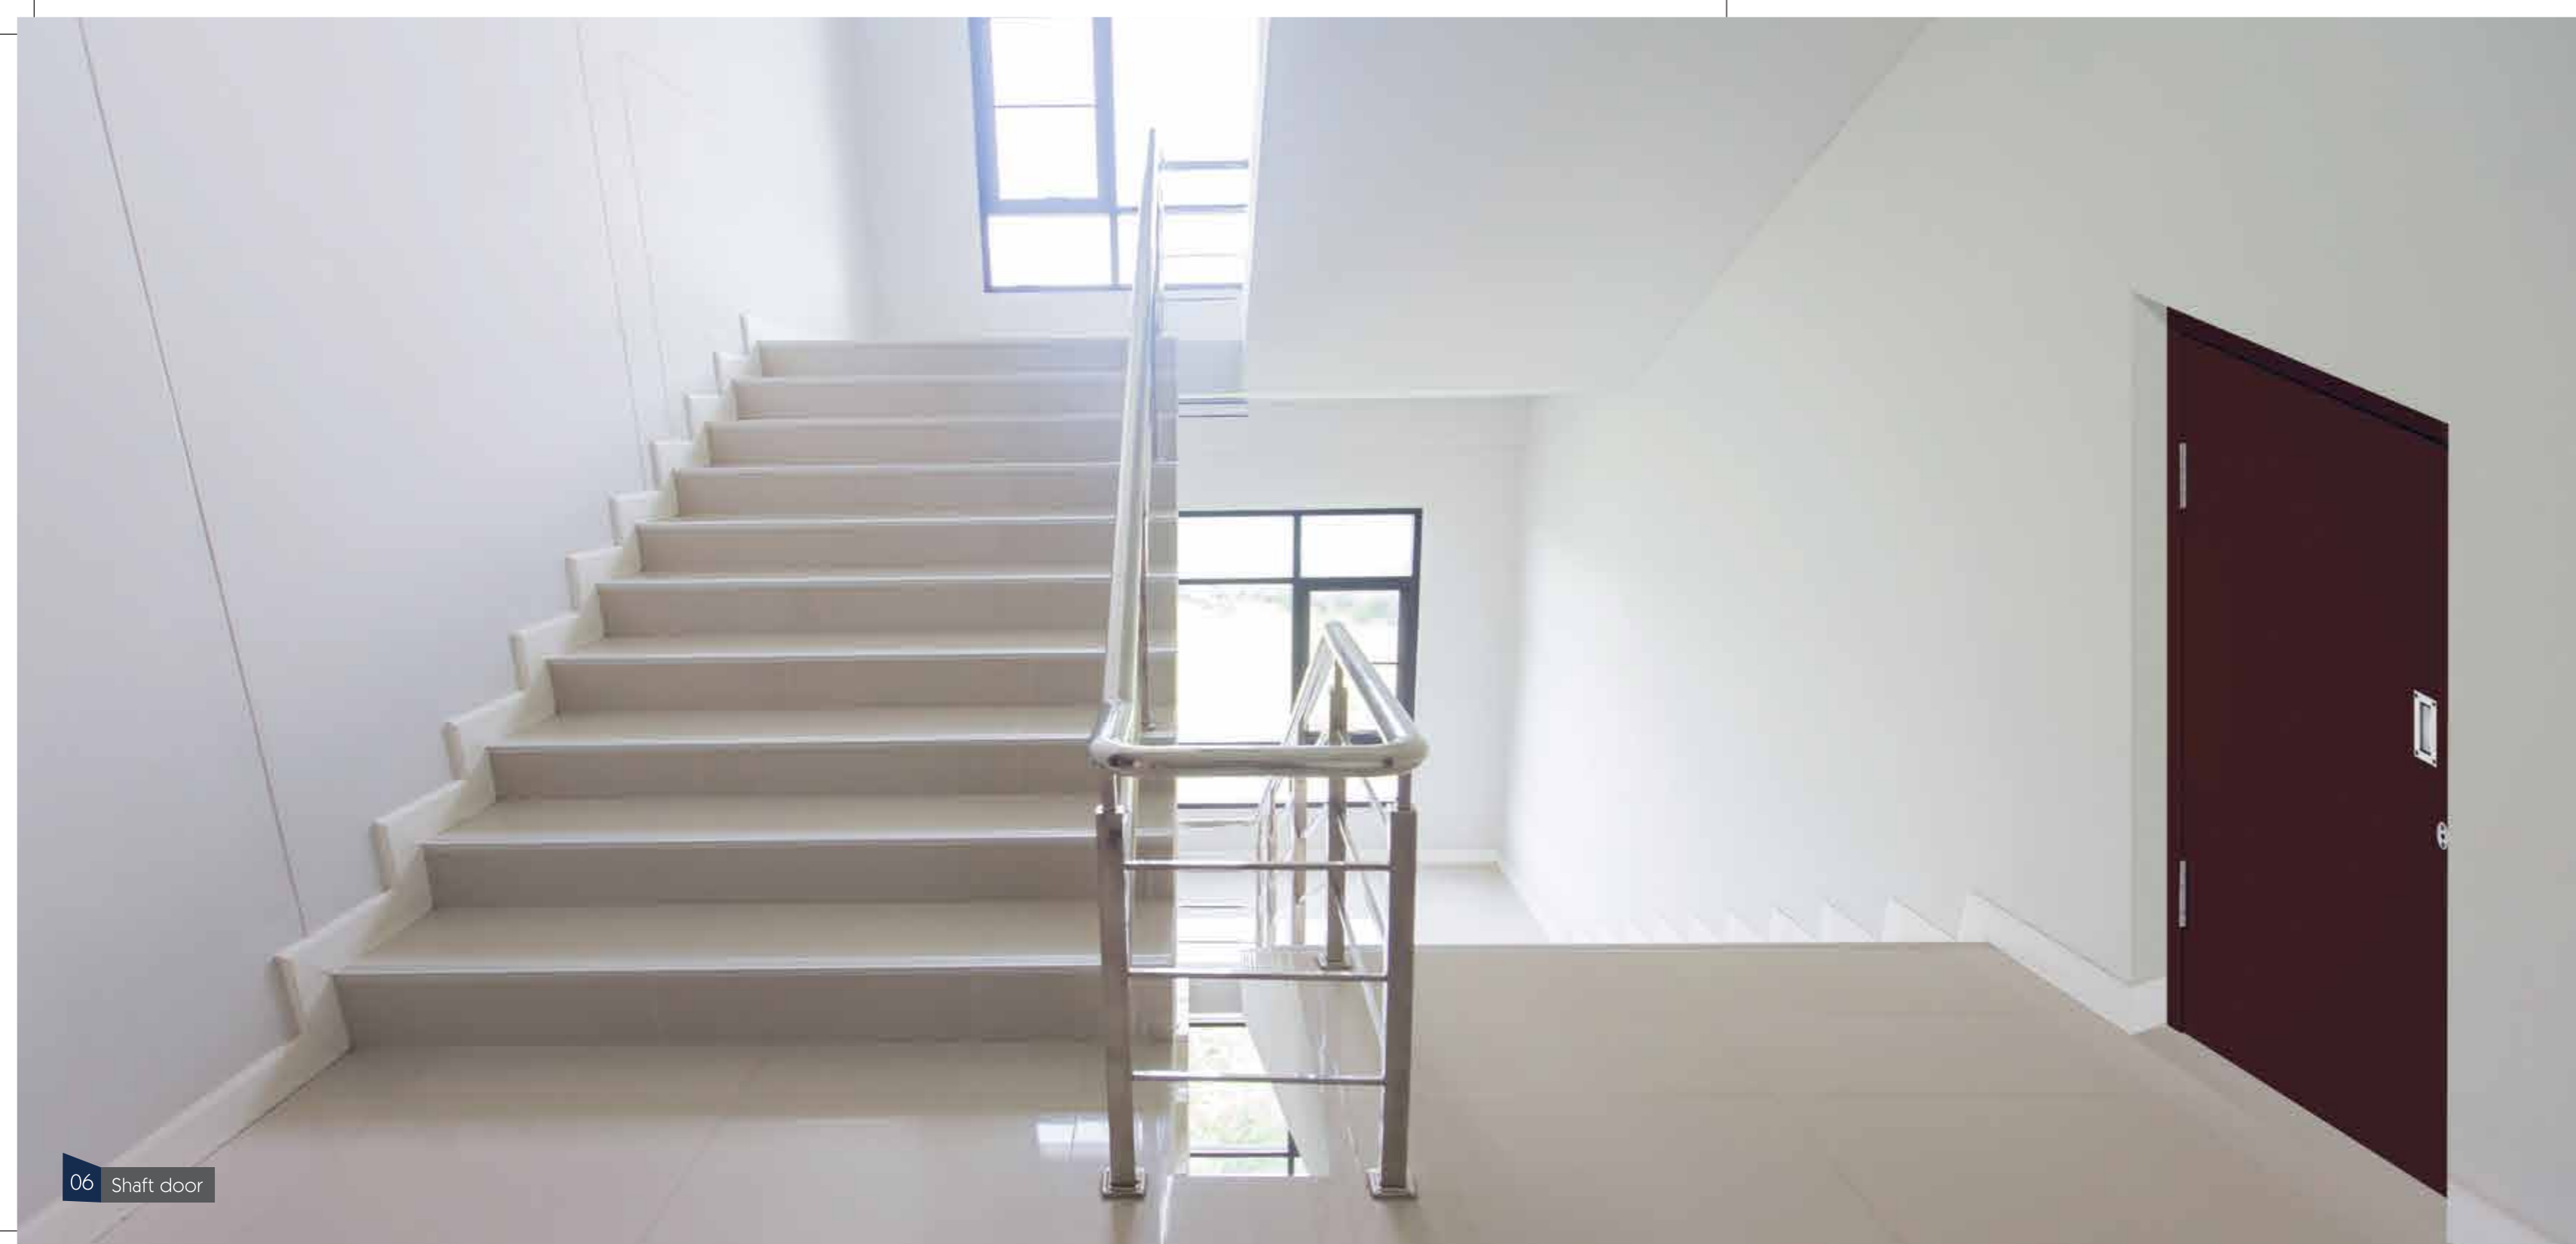

Volcano Red

RAL 3011

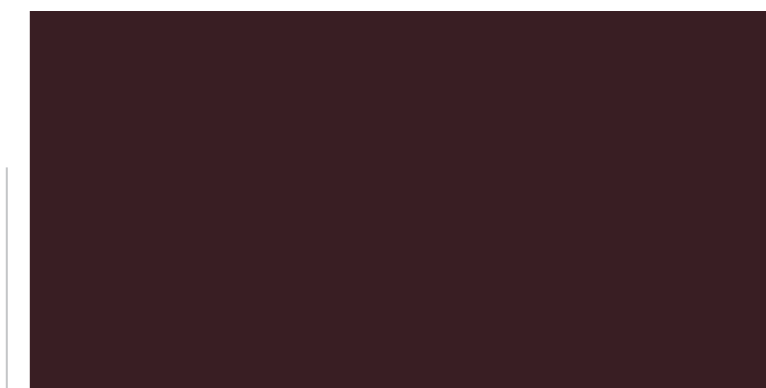

Red is a colour that always grabs attention. Lively and dynamic, red pepes up any space. Choose it to breathe life in your room or to mark the emergency exit in a commercial building.

Forest Brown

RAL 8017

Brown is the colour of comfort and warmth. It makes a space look welcoming and friendly. If you love the simple things in life, then this shade is bound to be your preferred choice.

07 Plain steel finish door and sliding aluminium window with fixed bottom in Sapphire Blue

Sapphire Blue
RAL 5010

Ocean Blue
RAL 5015

Crystal Blue
RAL 5023

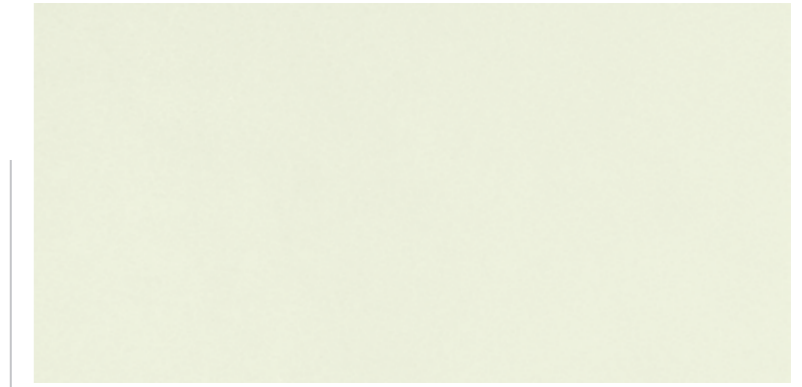

Blue is the colour of inspiration and imagination. It has a positive effect on your mind and body. A touch of blue can add a calming and relaxing ambience to your room.

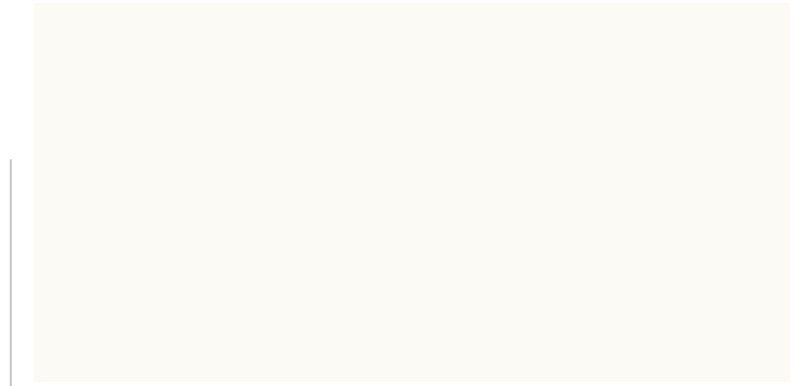

08 Plain steel finish door in Cloud White

Cloud White
RAL 9002

Snowflake White
RAL 9010

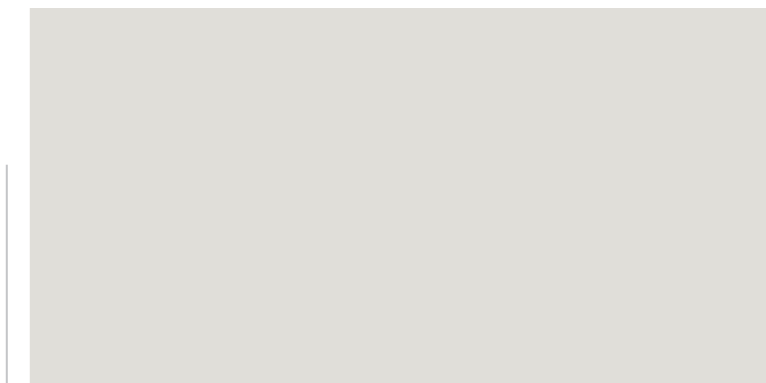

Pearl White
RAL 9003

White is the colour of goodness and hope. It reflects light and makes a room look airy and fresh. Pick any of the shades of white to create an aura of purity and serenity around you.

Moon Cream

RAL 9001

Sand Grey

RAL 7032

A touch warmer than white, off-white shades are pleasant to the eyes. Select any of the shades to set a tone of understated elegance in your space, thus making it a modern classic.
